

2021 HOA fees and special assessment payments
THIS EMAIL BULLETIN IS BEING SENT TO ALL OWNERS

Hello South Hampton owners,
We wanted everyone to be aware that coupons books for the 2021 HOA fees have been sent out and are just waiting to be delivered by the USPS. We know there are delays with the mail and obviously there will be no issues or late fees associated with any payments arriving after January 15th. We did not make coupon books for the Special Assessment as of yet so we could determine who might be paying that in full and thus not need a coupon book. Once we have more information on that we will work on coupon books for owners who do need one.

Your 2021 Special Assessment payments, either lump sum or payment one of the sixty, can be sent by check made out to South Hampton POA via mail to PO Box 9000 Myrtle Beach SC 29578. That's the same address as your normal payments/fees are sent to. If an owner is making payment one of that assessment monthly you can put that and your HOA fees all in one check to make life easier. If we debit your fees on a monthly basis we can add that amount to your automated debit if you would like us to just by emailing us your permission for our files.

Thank you for your time and please let us know how we can help.
Best regards,
LITUS* To Let
